

PUZZLEPASTA at BB Centrum from October

At the end of October, **PuzzlePasta** is coming to the **ALPHA Building** at BB Centrum. It's a new concept for the popular PuzzleSalads chain, a branch of which has been open for over a year in the FILADELFIE Building. As the name suggests, they're branching out from just salads - they're adding pasta to the menu as well. Freshly prepared from your choice of ingredients, according to your taste and mood.

PuzzleSalads remains true to their motto "Assemble Me" - **you can choose from many types of pasta and sauces - in short, everything that you're in the mood for.** The new branch also features a salad bar, so those of you close to the ALPHA Building won't have to cross Vyskočilova Street to get a fresh salad. **PuzzlePasta also offers breakfast.**
